## OUTDOOR EXHIBITOR ANNOUNCEMENT:

The Board has agreed to initiate an effort to improve presentations at outdoor shows. Objectives are to eliminate **clutter and unprofessional appearances, create more uniformity, increase safety and stability, and enforce rules** including strict adherence to attendance and cancellation policies preventing unsightly gaps and setup confusion.

In order to achieve these objectives and as done with outdoor shows produced by other organizations, **all** (new and existing exhibitors) outdoor show participants are asked to submit an image of their displays for evaluation and for suggested and/or required changes.

Participation in shows will not be granted unless the image has been reviewed and approved. Mail hardcopy to Gay at her home address:

Gay Williamson  
9308 Lakeside Ln  
Boynton Beach, FL 33437

Additionally, members of the outdoor show committee will be continuously reviewing displays making suggestions to maintain standards during show season.

A copy of the outdoor show rules/guidelines is available on the DAL website. A copy is also attached. As failure to maintain rules/guidelines and appearance will result in suspension from shows, it is strongly suggested you review requirements.

For exhibitors who are unsure of or need assistance with arranging their displays, outdoor show committee representatives will be available prior to monthly meetings. Questions may also be addressed to Linda Greenwald (561-699-9818), Bruce Bain (561-972-4634 or [orbainbru@live.com](mailto:orbainbru@live.com)), Gay Williamson (561-732-4945 H or 561-315-8288 C).
